

Tuition Discount Program

is proud to introduce the Preferred Partnership Tuition Discount Program in collaboration with Lebanon Valley College's Office of Graduate & Professional Studies. The program offers discounts on the College's eligible undergraduate, graduate, and degree completion programs listed below, as well as professional development courses and certifications in areas that our organization values.

By 2018, 63 percent of jobs will require some college or higher level of education according to a Georgetown University Center on Education and the Workforce paper. Investing in employee development in areas that address current and future skill shortages is important to our company and the region's ever-changing workforce landscape.

How Does It Work?

All Harrisburg Area Community College employees in good standing are eligible for the LVC Preferred Partnership Tuition Discount Program. You must maintain employment with the organization in order to remain eligible to receive the tuition discount.

Interested employees will complete the LVC Preferred Partner Enrollment Verification form and submit it to their supervisor or human resources representative. Students also need to complete the appropriate applications for admission and submit all documents required for acceptance at LVC into their program of interest.

HACC employees are eligible for a 10% discount on tuition and a waiver of the application fee for the following programs:

- Graduate & Professional Studies Post-Bachelor's Certificate Courses
- Professional Development Pathways Credit Courses
- Master of Business Administration Courses

Visit www.lvc.edu/gps for additional information. Contact the Lebanon Valley College Office of Graduate & Professional Studies at 717-867-6213 or gps@lvc.edu with questions.
