

Microsoft Office 365 Pro Plus Download Instructions for HACC Students*

Thanks to the Virtual Learning Student Advisory Council (VLSAC) the college is able to provide this FREE version of Microsoft Office 365 to all HACC students. This version uses the cloud and you must, therefore, have access to the Internet in order to use this program. The installation of Microsoft Office 365 Pro Plus will require that you UN-INSTALL any existing versions of Microsoft Office installed in your computer PRIOR to installing Office 365 Pro Plus. If you decide you need a different version of the product, remember that your campus bookstore has affordable options, which may be less expensive than other options.

Download Instructions:

1. Go to <http://hacc.onthehub.com> login page.
2. Use your "@hawkmail.hacc.edu" email address to register, if you have not already done so.
