

SUMMARY OF EMPLOYEE BENEFITS – Fulltime Employees

HACC recognizes that excellence in the performance of the college requires excellence in the performance of its people. HACC offers competitive pay and benefits programs designed to attract and retain people who share this commitment to excellence.

For its benefits eligible employees, HACC provides a comprehensive package of benefit choices at an affordable cost for both the employee and the college. The programs described in this summary are designed to maintain good health, to promote work/life balance, to provide for retirement, to help meet the cost of illness and accident, and to help provide financial security for employees. HACC pays the entire cost for some benefits, others require employee cost-sharing, and some are paid entirely by the employee. To the extent possible, certain benefits are provided on a pre-tax basis.

MEDICAL & RX - HACC provides a choice between Three Capital Blue Cross medical plans: a Premium PPO plan, High Deductible Health Care plan with a Health Savings Account (HSA) and the CareConnect plan. Medical coverage can be elected for the employee, any eligible dependents up to age 26 and domestic partners.

The prescription plan is administered by CVS/Caremark and provides both retail and mail-order benefits.

HACC uses a salary tiered cost share formula to determine the employee and employer cost share for the medical/Rx coverage. A cash opt-out stipend is available for those who have alternate non-HACC medical/Rx coverage available.

DENTAL & VISION - HACC provides both a dental PPO and a vision PPO plan to employees at no cost. Coverage can be elected for the employee, any eligible dependents up to age 26 and domestic partners.

HACC PLAN & FLEXIBLE SPENDING ACCOUNTS - HACC provides a Flexible Spending Account program that enables employees to set aside money, on a pre-tax basis, to pay for certain eligible health and dependent care expenses.

In addition to any voluntary contributions, HACC provides basic funding into the healthcare flexible spending account for each eligible full-time employee that has at least 1 year of full-time service with the College. These funds are provided to help offset medical expenses not covered by the insurance plans. The maximum annual amount is currently \$500.

RETIREMENT - HACC requires full-time employees to select from three different basic retirement plan options. Newly hired employees must select one of these plans upon hire. This choice is irrevocable for the duration of HACC employment. HACC will contribute to the chosen option based on the current guidelines for that program.

The three available plan options are: the Public School Employees Retirement System (PSERS), the State Employees Retirement System (SERS) or a 403b by TIAA-CREF. There is also a supplemental TIAA-CREF retirement account option into which an eligible employee can defer additional income.

PAID TIME OFF - HACC provides paid vacation, personal and sick leave to eligible employees. Paid leave time accrues based on employment classification, work schedule and years of employment.

- Jury Duty

After one year of continuous full-time service, full-time employees may submit a request for a tuition waiver for any HACC course; eligible dependents may submit a request for a tuition waiver for credit courses offered by the College.
